

I Am Yours

Andy Grammer

Just another love song
From a simple man
I been searching for some chords underneath these hands
So I can try to tell you I love you You know I need you
Like your oxygen
Be my atmosphere
Let me breath you in
So I can try to tell you I love you I been lost I been found
But I know I am now- I am yours I am yours
Now and always
Wouldn't dream to be anything more
You take my breath away every night
Still can't believe it when you say your mine and
I am yours I am yours I am yours
I was free falling through the open sky
Till you smiled at me and you saved my life and I
Knew I was put here to love you You got the universe
Swimming in your eyes
Im an open book when you look in mine
You'll find that I was put here to love you I been lost I been found
But I know I am now- I am yours I am yours
Now and always
Wouldn't dream to be anything more
You take my breath away every night
Still can't believe it when you say your mine and
I am yours I am yours I am yours I been lost I been found
But I know I am now- I am yours
I am yours
Now and always
Wouldn't dream to be anything more
You take my breath away every night
Still can't believe it when you say your mine and
I am yours I am yours I am yours
I am yours I am yours I am yours
I am yours I am yours I am yours
