

Zeal (feat. Henry Seeley)

The Belonging Co

If there's one thing I'm asking
One thing I'm needing
A moment that passing
Is not what I'm seeking Like it's the air I'm breathing
I want your presence
Feet on the Earth
Heart full of Heaven Zeal for you completely consumes me
I can't get enough, can't get enough of You
Your fire burning right through me
I can't get enough, can't get enough of You - You
Can't get enough of You - You
Can't get enough of You
I'm after Your Spirit
More than a feeling
I don't need a reason
To keep chasing who You are Like it's the air I'm breathing
I want your presence
Feet on the Earth
Heart full of Heaven Zeal for you completely consumes me
I can't get enough, can't get enough of You
Your fire burning right through me
I can't get enough, can't get enough of You - You
Can't get enough of You - You
Can't get enough of You Every beat is Yours, You can have it all
Take over like only You can
All I'm reaching for, You and nothing more
Take over like only You can
Every beat is Yours, You can have it all
Take over like only You can
All I'm reaching for, You and nothing more
Take over like only You can Zeal for you completely consumes me
I can't get enough, can't get enough of You
Your fire burning right through me
I can't get enough, can't get enough of You - You
Can't get enough of You - You
Can't get enough of You
