

I Don't Care About You

Cody Johnson

[Verse 1]

Here's the truth, I refuse to argue with you baby
Can't tell you what to do
But I'm not some johnny come lately
So there's the door you can walk right through
Cause tonight I don't care about losing you

[Chorus]

Oh tonight I don't care about trying to make things right
And I'm just not in the mood and I'm damn sure not gonna fight tonight
And if this is some kind of premonition
Of how it's gonna be with you
I'm out, I'm done baby I'm through
Cause tonight I don't care about you

[Verse 2]

So there it is, that's all that needs to be said baby
I don't care about your friends
And what they seem to think that you need lately
If you don't want to believe me, I guess I'm every bit of the jerk that you say I am
But tonight I don't give a damn

[Chorus]

Cause tonight I don't care about trying to make things right
I'm just not in the mood and I'm damn sure not gonna fight tonight
And if this is some kind of premonition
Of how it's gonna be with you
I'm out, I'm done baby I'm through
Cause tonight I don't care about you

[Verse 3]

Well it's not to say that tomorrow morning
I won't change my mind
But tonight you better listen to my warning
I need a little time

[Chorus]

Cause tonight I don't care about trying to make things right
I'm just not in the mood and I'm damn sure not gonna fight tonight
And if this is some kind of premonition

Of how it's gonna be with you
I'm out, I'm done baby I'm through
Cause tonight I don't care about you

[Outro]
There it is that's all that needs to be said baby
