

Faded (feat. Lil Wayne)

Tyga

Young Nino, fuck a bitch in a pea coat
 Carlito, Scarface, Al Pacino
 Bun B do, Pimp C, R-PIDO though
 I goes deep in that pussy, Dan Marino
 She wanna be the one, fuck her to my own single
 Break a bitch heart, no future Miss Cleo
 Snapback, au-au-automatic reload
 Flyer than a fucking beetle, you can't beat 'em
 Vampire fuck up your evening
 I pop up and eat lunch, leave you in the cement
 Don't believe it, stripe like A-fucking-didas
 The gun Selena, give a nigga Bieber fever
 Real fucking hot, put it in park
 Take a shot, higher than a tube sock
 You's a bop, give me top top, as I load the guap
 Man these niggas say I'm fly but to her I'm God
 I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 My nigga I'm faded faded faded
 And I don't give a fuck Fuck is up, nigga's stomping in my
 Chucks
 Yeah I make it reindeer, cause I'm all about my bucks
 Use the butt, I'm the front, dick up in her cunt
 And I put it in her hole, hole in one, putt putt Ergggh
 S-Super McNasty, why you McLovin
 When the bitch call me daddy
 Pimp, no Caddy, she wish she never had me
 Treat her like a dog, called the bitch Lassie
 Young savvy, bang her like Cincinatti
 Above average, f-fly like I'm Aladdin
 They bend backwards, throw the pussy at them
 I'm Ben Wallace, dunk up in your basket
 Balls in the air
 No games, I'm serious, double dare
 There's too many bitches, why these niggas wanna stare
 PatRon up in here, nigga this ain't no beer
 I'm faded faded faded
 My nigga I'm faded faded faded

My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded fadedMy nigga I'm faded faded faded
My nigga I'm faded faded faded
And I don't give a fuckMama, there go that monster
Abracadabra, Magic Johnson
My motherfucking doctor said I need a doctor
So I called House, now I am a pill popper
Faded like skinnys, Young Money we winning
I told her if I change, she won't get a penny
Milking this shit, pregnant bitch titties
Bringing home the bacon, I'm fucking Miss Piggy
Loaded like a semi, sen' me naked pictures
She knows my dick, she call that nigga Richard
Prior to me coming, I had to stick my thumb in
Her ass one time, smell my finger make you vomitFlyer than a hornet, the shoe fit I worn it
She tried to jack me off, can't beat it, join it
Tunechi, coochie, that what she call it
Flag scarlet, I killed it, mournin'I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
My nigga I'm faded faded faded
And I don't give a fuck
