

Hemorrhage (In My Hands) [Live Acoustic]

Fuel

Memories are just where you laid them
Drag the waters 'till the depths give up their dead
What did you expect to find?
Was there something you left behind?
Don't you remember anything I said when I said
Don't fall away, and leave me to myself
Don't fall away and leave love bleeding
In my hands, in my hands again
Leave love bleeding
In my hands, in my hands
Love lies bleeding
Oh hold me now I feel contagious
Am I the only place that you've left to go
She cries her life is like
Some movie black and white
Dead actors faking lines
Over and over and over again she cries
Don't fall away, and leave me to myself
Don't fall away, and leave love bleeding
In my hands, in my hands again
Leave love bleeding
In my hands, in my hands
Love lies bleeding And I wanted
You turned away
You don't remember, but I do
You never even tried
Don't fall away and leave me to myself
Don't fall away and leave love bleeding
In my hands, in my hands again
Leave love bleeding
In my hands, in my hands
Love lies bleeding
