## Church Bells

## Carrie Underwood

Jenny grew up wild, like a blackfoot daisy Out in the shack with a blue tick hound Broke as hell, but blessed with beauty The kind that a rich man can't turn down She caught the eye of an oil man dancing
One summer night in a dime store dress
She had the looks, he had the mansion
And you can figure out the restIt was all roses, dripping in diamonds Sipping on champagne
She was all uptown, wearing that white gown Taking his last name
She could hear those church bells ringing, ringing And up in the loft, that whole choir's singing, singing Fold your hands and close your eyes Yeah, it's all gonna be alright
And just listen to the church bells ringing, ringing Yeah, they're ringingJenny was hosting Junior League parties

And having dinner at the country club
Everyone thought they were Ken and Barbie
But Ken was always getting way too drunk
Saturday night, after a few too many
He came home ready to fight
And all his money could never save Jenny
From the devil living in his eyesIt was all bruises, covered in makeup Dark sunglasses
And that next morning, sitting in the back pew
Praying with the baptist
She could hear those church bells ringing, ringing
And up in the loft, that whole singing, singing
Fold your hands and close your eyes
Yeah, it's all gonna be alright
You just listen to the church bells ringing, ringing
Yeah, they're ringingJenny slipped something in his Tennessee whiskey
No law man was ever gonna find
And how he died is still a mystery
But he hit a woman for the very last time
She could hear those church bells ringing, ringing
Standing there in a black dress singing, singing
Fold your hands and close your eyes
Yeah, it's all gonna be alright
And just listen to the church bells ringing, ringing
Yeah, they're ringing
