

# Finally

James Arthur

This is all I ever wanted  
All I ever thought I'd be  
It's the only place I truly feel  
As though I can be me But the way I raft  
It was overnight  
I've been on my worst behaviour  
Been on my worst behaviour If it only ain't been like this  
Now I can hold my heart in a fist  
And all the voices leave  
I can finally put it on my sleeve  
Oh, if only they'd really seen it  
Maybe they would finally believe me  
When I say I've won  
And my father gets to see his son  
That he can feel proud of  
He can feel proud of  
He's proud of me  
This is all I ever wanted  
All I ever thought I'd be  
But the way that I behaved  
Could have seen quite the contrary I felt all the lives  
They're out of sight  
I've been on my worst behaviour  
Been on my worst behaviour If it only ain't been like this  
Now I can hold my heart in a fist  
And all the voices leave  
I can finally put it on my sleeve  
Oh, if only they'd really seen it  
Maybe they would finally believe me  
When I say I've won  
And my mother gets to see her son  
That she can feel proud of  
She can feel proud of  
She's proud of me  
She's proud of me  
Proud of me  
Proud of me  
They're proud of me  
She's proud of me  
She's proud of  
They're proud of  
They're proud of

They're proud of me  
They're proud of me  
They're proud of me  
She's proud of me  
They're proud of me If it only ain't been like this  
Now I can hold my heart in a fist  
And all the voices leave  
I can finally put it on my sleeve  
Oh, if only they'd really seen it  
Maybe they would finally believe me  
When I say I've won  
And my family gets to see their  
That she can feel proud of  
They can feel proud of  
They can feel proud of  
They're proud of me
