

# Glittering Prize

## Simple Minds

Shine on, shine the light on me  
In all of my life, so that much more I see

In the light of his love, in the light of reflection  
One in all of this world, sometimes, oh, so it seems  
Eyes to the sky in the silver gift friendship  
A glittering prize is the price of lost love  
They can remember quiet side of midnight  
They can remember attraction of fame  
Like a glittering prize, I saw you up on a clear day  
First taking heart, then a last breath away

Always came a time, time was by your side  
We were spending time, we were staring out  
Catch me in a dream, captured all in heart  
We were spending time, we were staring out  
Could there ever be ever more than one  
Called an act of love, can you you never stop?

Shine on, shine the light on me  
In all of my life, so that much more I see  
Like a glittering prize, I saw you up on a clear day  
First taking heart, then a last breath away

Only on a clear day  
Coming into our lives  
Only on a clear day  
Coming into our lives

We can remember quiet side of midnight  
We can remember attraction of fame  
Like a glittering prize, I saw you up on a clear day  
First taking heart, then a last breath away

See it in the eyes, satellite skies  
We were spending time, we were staring out  
Take in, take in more, endless breath away  
We were staring out, now we're staring in  
Could there ever be ever more than one

Called an act of love, can you you never stop?

Shine on, shine the light on me  
In all of my life, so that much more I see  
Like a glittering prize, I saw you up on a clear day  
First taking heart, then a last breath away

Only on a clear day  
Coming into our lives  
Always on a clear day

Is it the price of love?  
Like a glittering prize  
Always on a clear day  
Crashing into our lives  
Is it the price of love?  
Like a glittering prize  
Only on a clear day  
Crashing into our lives  
Like a glittering prize  
Is it the price of love?
