

She Ain't In It

Jon Pardi

Appreciate the call
Means a lot and all
Yeah, I've got a minute
You and me can talk about anything you want
As long as she ain't in it Say, it's been at least a month
Since I've had any fun, buddy, I'll admit it
Yeah, but I remember going out
Think I'm ready for a crowd
As long as she ain't in it
Don't wanna hear her name, don't wanna see her face I swear
I know it's gonna hurt if I run into her somewhere
Yeah, we can hit that place down by the interstate
Out past the city limits
Hang out all night long, hear a country song
As long as she ain't in it Don't wanna hear her name
Don't wanna see her face, I swear
I know it's gonna hurt if I run into her somewhere
Yeah, I can drink and I can dance
I can party, I can laugh
But no matter how you spin it
Everything has changed
My life won't be the same As long as she ain't in it
As long as she ain't in it
