

Pretending (Glasshouse)

SOPHIE

What's between you and me is a fucking dream, dreamâ€™s dreamâ€™s dream
It'sâ€™ a dreamâ€™s dream, dream, dream
Youâ€™ owe meâ€™s you owe me
Everything is everything, everything is everything
Come over here and talk to me
Oh,â€™ come onâ€™s come on, come on, come and talk to me
Ohâ€™ my god, oh my god, oh my god, oh my god, oh my god
Okay

Worldâ€™s
Whole new world
Whole new world
Whole new world
Wholeâ€™s new world
Whole new world
Whole new world
Whole new world
Whole new
Whole new
