

Get Naked (I Got a Plan)

Britney Spears

Danja
Yeah
That sounds nice
Uh, yeah
Hey I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby
I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby My body is callin' now for
ya, bad boy
I get the feelin' that I just wanna be wit ya
Maybe I'm a freak and I don't really give a damn
I'm crazy as a motherfucker
Bet that on your man
If you like what you see, end your curiosity
Let your mind roam free
Won't ya pay attention please?
What I gotta do to get you to want my body?
Quarter past three, I'm ready to leave the party
(What ya tryna do?) I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby
I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby Get naked, get naked, get
naked, get naked
Get naked, get naked, get naked, get naked
Take it off, take it off, take it off, take it off
Get naked, get naked, get naked, get naked I'm not ashamed of my beauty, you can see what I
got
Shit might freak ya out, imagine if I work ya out
If I get on top, you're gonna lose your mind
The way I put it down on you, you know should be a crime
I understand that you don't got no man
And I just want to take your hand
And I need you to understand
That, that, that I, I got everything, work that wide
Pick one, get it all inside
Work that body, get it all poppin' butt If you like what you see (oh), end your curiosity
Let your mind roam free
Won't ya pay attention please? (please)
If you like what you see (oh), end your curiosity
Let your mind roam free
Won't ya pay attention please? (yeah) Get naked, get naked, get naked, get naked
Get naked, get naked, get naked, get naked

Take it off, take it off, take it off, take it off
Get naked, get naked, get naked, get nakedBaby, take it off
I just wanna take it off, I just wanna take it off
Baby, take it off
I just wanna take it off, I just wanna take it off
What ya tryna do?I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby
I got a plan, we can do it just where you want it, baby, baby, baby
As long as you want it, come with me, we can do it, baby, baby, baby
