## Halsey

They told me once nothing grows  
When a house ain't a home  
Is it true, honestly  
When it's all a part of me?  
A couple years of waiting rooms  
Finding and God and lose him too  
Wanna scream but what's the use? Lying awake and I stare at the door  
I just can't take it no more  
They told me it's useless  
There's no hope in store  
But somehow I just want you more I want you more  
Somehow I just want you more  
I want you more  
Somehow I just want you more  
Wooden floors and little feet  
A flower bud in concrete  
Feeling so incomplete  
Wonder will we ever meet?  
And would you know it right away  
How hard I tried to see your face?  
A little screen, a photograph  
Mine to take I sit and I stare at your clothes in the drawer  
I cry and my knuckles get sore  
'Cause I still believe it won't be like before  
Now somehow I just want you more I want you more  
Somehow I just want you more  
I want you more  
Somehow I just want you more  
And when you decide it's your time to arrive  
I've loved you for all of my life  
And nothing could stop me from giving a try  
I've loved you for all of my life Love you more  
Somehow I'll still love you more  
Love you more  
Somehow I'll still love you more (Love you more)  
(Somehow I'll still love you more)  
(Love you more)  
(Somehow I'll still love you more)
