

Love I've Found In You

Lady Antebellum

[Verse 1]

Well, I bet my buddies are out on the town tonight
Dancing in this smoke, in the glow of the neon lights
I'm sure they're out there cutting up and drinking
But I don't mind 'cause I got you by my side
With my old sweat shirt and your favorite pair of jeans
Barefoot on the couch, curled up next to me
Oh, I got everything I've ever needed
In you, I found it in you

[Chorus]

Well, maybe I'm just lucky
But maybe that's ok
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Ooh-ooh
Ooh-ooh
Ooh-ooh

[Verse 2]

Well, I wonder where I'd be if the Lord hadn't heard my prayer
The one I said every night 'till the day that you got here
You showed me how to live and love forever
With you, oh baby, I love you

[Chorus]

Well, maybe I'm just lucky
But maybe that's ok
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Ooh-ooh
Ooh-ooh
Ooh-ooh

[Verse 3]

Some things really last forever
And some things are meant to be
Like you and me

Oh yeah

[Bridge]

Let your love shine on
Shine on and on and on
Oh, oh yeah

[Chorus]

Well, maybe I'm just lucky
But maybe that's ok
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Ooh-ooh
Ooh-ooh
Ooh-ooh

[Outro]

I've found in you
I've found in you
