

# Jealous

Nick Jonas

I don't like the way he's looking at you  
I'm starting to think you want him too.  
Am I crazy? Have I lost ya.  
Even know I know you love me  
Can't help it. I turn my cheek, music up  
And I'm puffing my chest.  
I'm getting red in the face, you  
Can call me obsessed. It's not your fault that they hover  
I mean no disrespect.  
It's my right to be hellish  
I still get jealous.  
Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous. Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous. I wish you didn't have to post it all  
I wish you'd save a little bit' just for me.  
Protective or possessive (yeah)  
Call it passive or aggressive. I turn my cheek, music up  
And I'm puffing my chest.  
I'm getting red in the face, you  
Can call me obsessed.  
It's not your fault that they hover  
I mean no disrespect.  
It's my right to be hellish  
I still get jealous. Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous. Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous. You're the only one invited  
I said there's no one else for you.  
Cause you know I get excited (yeah)  
When you get jealous too. I turn my cheek, music up  
And I'm puffin' my chest.  
I'm turning red in the face, you  
Can call me obsessed. It's not your fault that they hover  
I mean no disrespect.  
It's my right to be hellish

I still get jealous.  
Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous.  
Cause you're too sexy, beautiful  
And everybody want a taste.  
That's why (that's why)  
I still get jealous.  
Oh (that's why)  
I still get jealous  
Oh (that's why)  
I still get jealous
