

I Hate Love Songs

[Kelsea Ballerini](#)

I hate Shakespeare and Gosling and cakes with white frosting
Two names in a heart-shaped tattoo
I think cupid is stupid and violets are purple not blue
I hate catching bouquets, the honeymoon phase
And letterman jackets don't fit
Your eyes can't hold stars and you'd die if your heart really skipped I hate love songs
Yeah, I really do
I hate love songs
But I love you
I hate pink hearts with glitter and Valentine's dinner
And roses just die in a week
We were drunk when we met, so we don't know our anniversary (whoops)
And I'm far too vain to kiss in the rain
The clouds, they aren't numbered to nine
And you make me feel something but it sure as hell ain't butterflies I hate love songs
Yeah, I really do
I hate love songs
But I love you, yeah Oh oh, I really do And I'll always love you but I don't have to sing it
For worse or for better, don't rhyme
They say I got the right one, so now I should write one
But I'd rather just show you tonight
I hate love songs
Yeah, I really do
I hate love songs
But I love you, yeah
I hate love songs
The old and the new
(I really do)
I hate love songs
But I love you
