

Champagne Night

Lady Antebellum

The stars go out on the Sunset Strip
But after last call ours still stay lit
Make a twenty last like it's 1990Way out here
Where we're from
We don't say, "Ooh-la-la, Pérignon"
Don't need no bottle service budget (no)
Got no money but we love it (woo)Raisin' plastic cups to a life of luxury
C'est la vie on a Friday
We get dressed up in a blue jean tux
And we go where we don't hear the highway
Don't need doubles and bubbles
To get in all kinds of trouble
Out in the country
Don't need a crystal chandelier
To have a real good time
We're drinkin' beer on a champagne night
A champagne nightNo velvet ropes in our hometown bar
Our VIPs are drinkin' PBR
No, we don't need no high-rise skyline
View from a window
'Cause way out here (way out here)
Where we're from (where we're from)
We don't have to be fancy
To have a whole lotta fun
Raisin' plastic cups to a life of luxury
C'est la vie on a Friday
We get dressed up in a blue jean tux
And we go where we don't hear the highwayDon't need doubles and bubbles
To get in all kinds of trouble
Out in the country
Don't need a crystal chandelier
To have a real good time
We're drinkin' beer on a champagne night
Champagne nightYou'll never see us sippin' long-stem glasses
Even if we're in a Hollywood palace
We ain't on our own island
No, we ain't drippin' in diamonds
We're gettin' rhinestonedRaisin' plastic cups to a life of luxury
C'est la vie on a Friday
We get dressed up in a blue jean tux
And we go where we don't hear the highwayDon't need doubles and bubbles
To get in all kinds of trouble

Out in the country
Don't need a crystal chandelier
To have a real good time
We're drinkin' beer on a champagne night(We're drinkin' beer on a champagne night
We're drinkin' beer on a champagne night)
Drinkin' beer on a champagne night
(We're drinkin' beer on a champagne night
We're drinkin' beer on a champagne night)
We're drinkin' beer on a champagne night
