

Pig

Weezer

[Verse 1]

When I was a baby, I was so happy
I'd play with my friends in the mud
Wilbur and Jack and Otis and Beatty
We were a gang, you got to believe me

Mama would scold us if we got too rough
She didn't care, she was proud of us
I ran around, and talked to the animals
Tellin' 'em stories of savage cannibals

Then I got older and noticed a girl
First I was sure I didn't exist to her
I sulked around, but I didn't know why
Then she put her cheek on my shoulder and I

Was lookin' at her and she was lookin' at me
We started to smile, it was our destiny
Tina was her name, she was my cute-pie
Forgot about the things I used to like

I spent all my time followin' her around
My friends all made the whiplash sound
But they understood, they was happy for me
And everyone clapped when I asked her to marry me

And she said yes, and we felt so fine
We lost track of the passing of time
Before I knew it we had our own babies
Gina and Shelley and Keebie and Gabe

But now, I've got to die
I lived a good life, I've got no complaints
I'd like to thank Farmer Pete
For bringin' me scraps of food that I could eat
He always had a smile on his face
He didn't want to think of this day
It's finally here
It's finally here
Whoa-oh-oh

They called me Pig
They called me Pig
Oh, oh oh

[Refrain]

When I was a baby, I was so happy
I'd play with my friends in the mud
