

# From the Ground Up

Dan + Shay

Grandma and grandpa  
Painted a picture  
Of 65 years  
In one little house More than a memory  
More than saying I do  
Kiss you goodnights  
And I love you Me and you, baby  
Will walk in their footsteps  
Build our own family  
One day at a time 10 little toes  
A painted pink room  
Our beautiful baby  
Looks just like you  
And we'll build this  
Lo-ove  
From the ground up  
Now 'til forever It's all of me  
All of you  
Just take my hand  
And I'll be the man your dad hoped that I'd be And we'll build this  
Lo-ove  
From the ground up  
For worse or for better And I will be  
All you need  
Beside you  
I'll stand  
Through the good and the bad  
We'll give all that we have  
And we'll build this love  
From the ground up This life will go by  
In the blink of an eye  
But I wouldn't wanna spend it  
Without you by my side The clouds are gonna roll  
The earth's gonna shake  
But I'll be your shelter  
Through the wind and the rain And we'll build this  
Lo-ove  
From the ground up  
Now 'til forever It's all of me  
All of you  
Just take my hand  
And I'll be the man your dad hoped that I'd be And we'll build this

Lo-ove  
From the ground up  
For worse or for better And I will be  
All you need  
Beside you  
I'll stand Through the good and the bad  
We'll give all that we have  
And we'll build this love  
From the ground up Oh, woah, oh-oh Someday we'll wake up  
With thousands of pictures  
Of 65 years  
In this little house I won't trade for nothin'  
The life that we built  
I'll kiss you goodnight  
And say I love you still And we'll build this  
Lo-ove  
From the ground up  
For worse or for better And I will be  
All you need  
Beside you  
I'll stand Through the good and the bad  
We'll give all that we have  
And we'll build this love  
From the ground up From the ground up
