

Glorious Day

Weezer

[Verse 1]

Gonna make my move
Gonna make it stay
Gonna make it last
Never mind the past
Living for today

[Pre-Chorus]

Hey, hey, hey
You know what you want me to say
Right, right
Fight, fight
We could start a glorious day

[Verse 2]

Gonna take my chance
Gonna rock and dance
Gonna hit the ground
With a brand new sound
Looking for romance

[Pre-Chorus]

Hey, hey, hey
You know what you want me to say
Right, right
Fight, fight
We could start a glorious day

[Chorus]

Glorious children on my mind
Glorious wastings of my time
Glorious plans we make up
Forcing things in line

[Pre-Chorus]

Hey, hey, hey
You know what you want me to say
Right, right
Fight, fight

We could start a glorious day

[Chorus]

Glorious children on my mind
Glorious wastings of my time
Glorious plans we make up
Forcing things in line

[Outro]

Gonna rock it out
Gonna scream and shout
Gonna do it right
Standing in the light
Flexing all our clout

Gonna do it right
Standing in the light
Flexing all our clout

Gonna do it right
Standing in the light
Flexing all our clout
