

# Wednesday Night Interlude (feat. PARTYNEXTDOOR)

Drake

Been a minute since we've slept together  
Gotta get myself together  
I've been thinkin' about everything  
I don't know if it's because I'm lonely  
Lonely on a Wednesday night  
Girl I'm lonely  
I'll admit it if you just keep quiet  
Girl I'm lonely  
That shit ain't my fault girl  
Cause I'm lonely  
Name another woman, ain't no other woman who should come for me  
When I'm lonely  
Mix the Remy, little bit of Henny  
I'm running on empty, I'm lonely  
When I'm lonely, when I'm lonely  
Heard you spend your summers in Miami  
At somebody's house  
That you didn't buy  
You're young so have fun girl  
I hope it's worth it  
Cause fuck it I'm not here to judge  
Fuck it I'm not here to love  
Everything you did to ball  
Fuck it, I'm just glad you called  
Ring ring ring, what a thing  
Ring ring ring, school bell I ring  
You and I got options there  
Name another woman  
Ain't no other woman that should come for me when I'm lonely  
When I'm lonely  
Mix the Remy with a little bit of Henny  
I'm running on empty, I'm lonely  
When I'm lonely, when I'm lonely  
This shit ain't my fault
