

# Lost On You

Lewis Capaldi

Lately I'm getting lost on you  
You got me doing things I never thought I'd do  
Never spent so long on a losing battle  
Lately giving up don't seem to matter  
Everyday I'm a slave to the heartache  
And you're wasting away every night  
I don't want to leave you lonely  
But I've run out of love this time  
You know that I adore you  
Though I couldn't give enough  
Hope you'll be safe in the arms of another  
'Cause I can't take the weight of your love  
Lately I'm getting lost on you  
I tore your world apart like it was nothing new  
Never bled so much when I didn't have to  
I've given up on a life lived after  
Everyday I'm a slave to the heartache  
And you're wasting away every night  
I don't want to leave you lonely  
But I've run out of love this time  
You know that I adore you  
Though I couldn't give enough  
Hope you'll be safe in the arms of another  
'Cause I can't take the weight of your love  
I had a hold on your soul  
But I lost my grip, let you go  
I should've carried us both  
Everyday I'm a slave to the heartache  
And you're wasting away every night  
I don't want to leave you lonely  
But I've run out of love this time  
You know that I adore you  
Though I couldn't give enough  
Hope you'll be safe in the arms of another  
Cause I can't take the weight of your love  
Of your love  
Hope you'll be safe in the arms of another  
Cause I can't take the weight of your love
