

A Single Moment of Sincerity (KC Blitz Remix)

Asking Alexandria

[Verse]

Spilling every lie you've spilled before
Still I'm not forgiving you
What's happened between us?
What can I give to save us?

Here we go

[Drop]

Still I'm not forgiving
Still I'm not
What's happened between us?
Still I'm not forgiving you
What's happened between us?

Spilling every lie you've spilled before

[Verse]

Still I'm not forgiving you
What's happened between us?
What can I give to save us?
Being righteous isn't quite enough

Spilling every lie you've spilled before

[Drop]

Still I'm not forgiving you
What's happened between us?
What can I give to save us?
Being righteous isn't quite enough
What's happened between us?
What can I give to save me?
Here we go
