Girl, your so fine.
The way you let me put it down, girl, just blows my mind.
I guess I gotta put it down tonight.
I gotta put it down. Oh. Oh. Oh. [Will I Am:]
Whoa whoa whoa whoa whoa whoa whoa whoa whoa whoa
Baby, give me some of your tasty
Cinnamon give me your feminine gelatin
'Cause got a sinnin' man goin' crazy
Hey ba ba ba ba ba baby, baby
You the one I've been fiendin' for
When I'm dreamin' I'm dreamin' of you
When your gone I'll be screamin' for you.
So why don't you be my chick & stuff?
Take you out to dinner, catch a flick & stuff?
If we spend time I never get enough
Your so fine make a dark brother blush
Got me lookin' like a black grape & stuff
First time I say it, you had me gonna crush
And if you ever give it to me
Give it to me rough
You got me sayin'...
You got me sayin'
Got me sayin'... [Justin Timberlake:]
You got me sayin' Damn Girl, your so fine.
The way you let me put it down, girl, just blows my mind.
So now I guess I guess I gotta put it down tonight.
