

# Even Flow

## Pearl Jam

Freezin', rests his head on a pillow made of concrete again  
Oh, feelin' maybe he'll see a little better set a days, oh yeah  
Oh, hand out faces that he sees time again ain't that familiar, ah  
Oh, dark grin he can't help when he's happy he looks insane, hey Evenflow, thoughts arrive like  
butterflies  
Oh, he don't know, so he chases them away, oh  
Oh, someday yeah, he'll begin his life again  
Life again, life again Kneelin', lookin' through the paper though he doesn't know to read, oh yeah  
Oh, prayin' now to something that has never showed him anything  
Oh, feelin' understands the weather of the winters on its way, yeah  
Oh, ceilings few and far between all the legal halls of shame, hey  
Evenflow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them away  
Ah, someday, yeah, he'll begin his life again, yeah  
Oh, whisperin' hands gently lead him away  
Him away, him away Evenflow, thoughts arrive like butterflies, yeah  
Oh, he don't know, so he chases them away, yeah  
Ah someday yeah, he'll begin his life again,  
yeah  
Oh, whisperin' hands gently lead him away  
Him away, him away  
Yeah
