

# Don't

## Ed Sheeran

La, la, la, la I met this girl late last year  
She said don't you worry if I disappear  
I told her I'm not really looking for another mistake  
I called an old friend thinking that the trouble would wait But then I jumped right in a week  
later returned  
I reckon she was only looking for a lover to burn  
But I gave her my time for two or three nights  
Then I put it on pause until the moment was right  
I went away for months until our paths crossed again  
She told me I was never looking for a friend  
Maybe you could swing by my room around ten  
Baby, bring the lemon & a bottle of gin  
We'll be in between the sheets till the late AM  
Baby if you wanted me then you should have just said  
She's singing...  
la, la, la, la  
Don't with my love  
That heart is so cold  
All over my own  
I don't wanna know that, babela, la, la Don't with my love  
I told her, she knows  
Take aim & reload  
I don't wanna know that, babe  
la, la, la For a couple of weeks I only want to see her  
We drink away the days with a take away pizza  
Before a text message was the only way to reach her  
Now she's staying at my place & loves the way I treat her Singing out Aretha, all over the track  
like a feature  
And never wants to sleep I guess that I don't want to either  
But me & her we make money the same way  
Four cities, two planes the same day And those shows have never been what it's about  
Maybe we'll go together & just figure it out  
I'd rather put on a film with you & sit on the couch  
But we should get on the plane or we'll be missing it now Wish I'd have written it down, the  
way that things played out  
When she was kissing him how I was confused about  
She should figure it out why I'm sat here singing Don't with my love  
That heart is so cold  
All over my own  
I don't wanna know that, babe  
Don't with my love  
I told her, she knows

Take aim & reload  
I don't wanna know that, babe On my hotel door!  
I don't even know if she knows what for  
She was crying on my shoulder, I already told you  
Trust & respect is what we do this for I never intended to be next  
But you didn't need to take him to bed, that's all  
And I never saw him as a threat  
Until you disappeared with him to have sex of course It's not like we were both on tour  
We were staying on the same hotel floor  
And I wasn't looking for a promise or commitment  
But it was never just fun & I thought you were different This is not the way you realize what  
you wanted  
It's a bit too much, too late if I'm honest  
And all this time God knows I'm singing Don't with my love  
That heart is so cold  
All over my own  
I don't wanna know that, babe  
Don't with my love  
I told her, she knows  
Take aim & reload  
I don't wanna know that, babe Don't with my love  
That heart is so cold  
All over my own  
I don't wanna know that babe  
Don't with my love  
I told her, she knows  
Take aim & reload  
I don't wanna know that, babe
