

# On My Own

Niall Horan

Everybody's got somebody  
I just wanna be alone  
Well, I don't need no one  
Have too much fun  
Out here on my own I'll drink 'til it's empty  
Stay out 'til it's dead  
I'll wake up at midday  
And marry my bed  
I'll kiss all the women  
Get punched in the head  
You could offer the world, baby  
But I'll take this instead, yeah Long came the devil, caught my eye  
She's kind of my type  
Chelsea baby, drives me crazy  
Oh, but there's one thing on my mind  
I'll drink 'til it's empty  
Stay out 'til it's dead  
I'll wake up at midday  
And marry my bed  
I'll kiss all the women  
Get punched in the head  
You could offer the world, baby  
But I'll take this instead  
Yeah, yeah, yeah And if you ask me around  
And I should decline  
Don't take it to heart  
Your company's fine  
But I get on better with mine  
Everybody's got somebody  
I just wanna be alone  
I'll drink 'til it's empty  
Stay out 'til it's dead  
I'll wake up at midday  
And marry my bed  
I'll kiss all the women  
Get punched in the head  
You could offer the world, baby  
But I'll take this instead, yeah Well, I'll drink 'til it's empty  
Stay out 'til it's dead  
I'll wake up at midday  
And marry my bed  
I'll kiss all the women

Get punched in the head  
You could offer the world, baby  
But I'll take this instead
