

Just Like a Pill

P!nk

[Verse 1]

I'm lying here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

[Pre-Chorus]

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here, where I can

[Chorus]

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill

[Verse 2]

I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills
They were different
Maybe I should get some help

[Pre-Chorus]

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here, where I can

[Chorus]

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill
Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill

[Pre-Chorus]

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here, where I can

[Chorus]

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill
Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill
Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of making me better
You keep making me ill

You keep making me ill
