

# Mirrors

## Justin Timberlake

Aren't you something to admire, 'cause your shine is something like a mirror  
And I can't help but notice, you reflect in this heart of mine  
If you ever feel alone and the glare makes me hard to find  
Just know that I'm always parallel on the other side  
'Cause with your hand in my hand and a pocket full of soul I can tell you there's no place we  
couldn't go  
Just put your hand on the glass, I'm here trying to pull you through  
You just gotta be strong  
'Cause I don't wanna lose you now I'm looking right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along  
It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me  
Aren't you something, an original, 'cause it doesn't seem merely assembled And I can't help but  
stare 'cause I see truth somewhere in your eyes  
Ooh I can't ever change without you, you reflect me, I love that about you  
And if I could, I would look at us all the time  
'Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go Just put your hand on the past, I'm here trying to  
pull you through  
You just gotta be strong  
'Cause I don't wanna lose you now  
I'm looking right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along  
It's like you're my mirror  
My mirror staring back at me I couldn't get any bigger  
With anyone else beside of me

And now it's clear as this promise  
That we're making two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me  
Yesterday is history  
Tomorrow's a mystery I can see you looking back at me  
Keep your eyes on me  
Baby, keep your eyes on me  
'Cause I don't wanna lose you now  
I'm looking right at the other half of me The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along  
It's like you're my mirror  
My mirror staring back at me I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
Now you're the inspiration for this precious song  
And I just wanna see your face light up since you put me on So now I say goodbye to the old  
me, it's already gone  
And I can't wait wait wait wait wait to get you home  
Just to let you know, you are  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
Girl you're my reflection, all I see is you  
My reflection, in everything I do You're my reflection and all I see is you  
My reflection, in everything I do  
You are you are the love of my life  
You are you are the love of my life

You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life  
You are you are the love of my life
