

Animal Kingdom

Meat Puppets

[Verse 1]

Down in the valley
There's an animal kingdom
You can't even see it
'Til the sun goes down

[Verse 2]

Up in the mountains
There's beautiful rings
On fingers that dance
To invisible sound

[Verse 3]

Up in my head
There's an animal kingdom
I am the king
Of the animals there

[Verse 4]

Up in the mountains
I'm a beautiful singer
To birds that dance
On invisible air
