

# You Are God (feat. Chigozie Achugo)

[Nathaniel Bassey](#)

Nathaniel Bassey - You Are God (ft. Chigozie Achugo) You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself You've got times and seasons in your hands

You called for light out of darkness

You don't need a man to be the God you are

But you have chosen to call me your own

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself You've got times and seasons in your hands

You called for light out of darkness

You don't need a man to be the God you are

But you have chosen to call me your own

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself

You are God from beginning to the end

There's no place for argument

You are God all by yourself
