

Auld Lang Syne

Ingrid Michaelson

[Verse 1]

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And auld lang syne?

[Chorus]

For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne

[Verse 2]

And here's a hand, my trusty friend
And give a hand of thine
We'll take a cup of kindness yet
For auld lang syne

[Bridge]

Hmm, hmm, hmm

[Chorus]

For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne

[Verse 1]

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And auld lang syne?
And auld lang syne
And auld lang syne
