

Something More

Sugarland

[Intro]

Come on

[Verse 1]

Monday, hard to wake up
Fill my coffee cup, I'm out the door
Yeah, the freeway's standing still today
It's gonna make me late, and that's for sure

[Pre-Chorus 1]

I'm running out of gas and out of time
Never gonna make it there by nine

[Chorus]

There's gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance, I might
Find what I'm looking for
There's gotta be something more

[Verse 2]

Five years and there's no doubt
That I'm burnt out, I've had enough
So now boss man, here's my two weeks
I'll make it short and sweet, so listen up

[Pre-Chorus 2]

I could work my life away, but why? (Why?)
I got things to do before I die

[Chorus]

There's gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance, I might

Find what I'm looking for
There's gotta be something more

[Bridge]

Some believe in destiny, and some believe in fate
I believe that happiness is something we create
You best believe that I'm not gonna wait
Because there's gotta be something more

[Verse 3]

I get home, 7:30, the house is dirty, but it can wait
Yeah, 'cause right now, I need some downtime
To drink some red wine and celebrate
Yeah, Armageddon could be knocking at my door
But I ain't gonna answer, that's for sure
There's gotta be something

[Chorus]

Gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance, I might
Find what I'm looking for
Gotta be something more (Gotta be something)

[Outro]

Got to be, got to be, got to be more
(Gotta be more than this)
