

# Gone

Bebe Rexha

Numb me down to the core  
Cause love don't live here anymore  
And we fought hard but we lost the war  
Without you, what am I living for? And I know I can't take back all the things I did  
But if I had one wish, I would wish for one more chance Somewhere our fear took all control  
That's when I turned cold  
Won't you give me one more chance?  
Cause I'm a lost river that'll never reach the sea  
When you're not here with me, when you're gone  
I'm sick to my bones, I don't feel natural  
Without you I'm not whole, when you're gone Gone, gone, gone, gone  
Gone, gone, gone  
Gone, gone, gone, gone Drove to your house in the night  
Couldn't sleep 'til I made it right  
I'm sorry for all the pain  
For lovin' you in vain And I know I can't take back all the things I did  
But if I had one wish, I would wish for one more chance Cause I'm a lost river that'll never  
reach the sea  
When you're not here with me, when you're gone  
I'm sick to my bones, I don't feel natural  
Without you I'm not whole, when you're gone  
So I'll leave the night light on  
In hopes that you will find your way  
And make it safely home  
And in the eye of the storm  
Our love will be the only thing  
That keeps us holding on  
Cause I'm a lost river that'll never reach the sea  
When you're not here with me, when you're gone  
I'm sick to my bones, I don't feel natural  
Without you I'm not whole, when you're gone  
Gone, gone, gone, gone  
Gone, gone, gone  
Gone, gone, gone, gone, gone
