

Fall In Love

Bailey Zimmerman

Heard you moved out to South Carolina
Just like you always said we would
Packed your bags in that old 4Runner
That I bought you when things were good
I'm glad to see the stop sign didn't hit ya
Bring you back to your senses
Oh, it waved you gone, goodbye
Yeah, it waved you gone, goodbye
I heard you found yourself a brand new man
Put a rock on your finger
And he vowed you a second chance
Built a house right by the coast
That ocean view is beautiful
But baby, I just want you to know
He don't know you like I did
Well money talks, but I ain't buying
'Cause love's a smoke ring
Wrapped around your finger
One second it's a blessing
And the next it's already gone
A broken heart, I'm a walking testimony
My confession is a lesson
That I'm pouring out in this song
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
I seen your mama walking out the county market
And I thought to ask her how she's been
She said she's missing ya
And tried to go convincing ya
Not to settle down with him
She ain't wrong, the whole town knows it
You had a bed of roses
But girl, you couldn't walk that line
You can act like you're doin' fine
'Cause love's a smoke ring
Wrapped around your finger
One second it's a blessing
And the next it's already gone
A broken heart, I'm a walking testimony
My confession is a lesson
That I'm pouring out in this song

Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
'Cause love's a smoke ring
Wrapped around your finger
One second it's a blessing
And the next it's already gone
A broken heart, I'm a walking testimony
My confession is a lesson
That I'm pouring out in this song
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
Oh-whoa-whoa, oh-whoa-whoa
You don't wanna fall in love
Oh-whoa-whoa, oh-whoa-whoa
Heard you moved out to South Carolina
Just like you always said we would
