

Like a Rodeo

Kane Brown

[Intro]

Love is like a rodeo, rodeo, rodeo, rodeo
Love is like a rodeo, rodeo, rodeo, rodeo

[Verse 1]

I picked you up with a cowboy nod at the hotel bar
It was less than eight seconds, girl, you stole my heart
We had drinks and smokes, played your songs on guitar
I was crazy out the gate and you were wild from the start
You hopped in my Bronco and we had the time of our life
We've come a long way since then, girl
But it's been one hell of a ride

[Chorus]

Love is like a rodeo, tryna see how far we go
After one touch, became obsessed with the rush
Yeah, love is like a rodeo, I just wanna steal the show
We fight and we fall, but we keep holding on
Love is like a rodeo, rodeo, rodeo, rodeo
Love is like a rodeo, rodeo, rodeo, rodeo

[Verse 2]

Girl, there's something kind of dangerous about the way you move
I knew it wouldn't be easy hanging on to you
'Cause when you hit the light, put your lips on mine
It gets hotter than a Houston night

[Chorus]

Yeah, love is like a rodeo, tryna see how far we go
After one touch, became obsessed with the rush
Yeah, love is like a rodeo, I just wanna steal the show
We fight and we fall, but we keep holding on
Love is like a rodeo, rodeo, rodeo, rodeo
Love is like a rodeo, rodeo, rodeo, rodeo

[Bridge]

You hopped in my Bronco
And we had the time of our life (The time of our life)
We've come a long way since then, girl

But it's been one hell of a ride (One hell of a ride)

[Chorus]

Yeah, love is like a rodeo, tryna see how far we go
After one touch, became obsessed with the rush
Yeah, love is like a rodeo, I just wanna steal the show
We fight and we fall, but we keep holding on
Love is like a rodeo, rodeo, rodeo, rodeo
Love is like a rodeo, rodeo, rodeo, rodeo

[Outro]

I picked you up with a cowboy nod at the hotel bar
It was less than eight seconds, girl, you stole my heart
Rodeo, rodeo, rodeo, rodeo
