

Under You

Nick Jonas

Cigarette
That I never got a chance to hit
But in my mind
Baby I can taste your lips
Taste your lips
I was so foolish
On some stupid shit
Should have never let you go
Knowing that you left
Messes with me head
Shadows of you haunt me now
So I'll never get over
Never get over
Getting under you
Getting under you
No I'll never get over
Never get over
Getting under you
Getting under you
Poured a glass
But I never got to take a sip
Take a sip
I've been around the world
But baby you're my only fix
Only fix
I was so foolish
On some stupid shit
Should have never let you go
Knowing that you left
Messes with me head
Shadows of you haunt me now
So I'll never get over
Never get over
Getting under you
Getting under you
No I'll never get over
Never get over
Getting under you
Getting under you
So I'll never get over
Never get over
Getting under you

Getting under you
No I'll never get over
Never get over
Getting under you
Getting under you
