

# Girls Night Out

Charli XCX

Whoa-ah-ah-ah-oh Goin' out on the weekend  
Gettin' dressed with my girls  
Put on my favorite lip gloss  
Cherry Garcia swirl  
Perfume, pleasure, and platforms  
Livin' that kind of world (Ooh-ooh)  
We're gonna live it up tonight So, if you're out with your girls  
And if you feel on top of the world  
Whoa-ah-ah-ah-oh  
Out with your girls  
I can't wait to live it up tonight  
It's a girls' night out  
Let's have a girls' night out tonight  
It's a girls' night out  
Let's have a girls' night out tonight  
I can't wait to live it up tonight It's a girls' night out  
No boys, no boys  
No boys, no boys  
No boys, no boys  
It's a girls' night out When we're out at the Weekend (Woo woo)  
R.I.P to the club (Bang, bang)  
'Cause we walk in and kill it (Mwah!)  
DJ, hey, turn it up (Oh, yeah!)  
Sing along like we wrote it (La la la lala la)  
Screamin' out all the words (Ooh-ooh)  
We're gonna live it up tonight  
So, if you're out with your girls  
And if you feel on top of the world  
Whoa-ah-ah-ah-oh  
Out with your girls  
I can't wait to live it up tonight It's a girls' night out  
Let's have a girls' night out tonight  
It's a girls' night out  
Let's have a girls' night out tonight  
I can't wait to live it up tonight  
It's a girls' night out  
No boys, no boys  
No boys, no boys  
No boys, no boys  
It's a girls' night out  
It's a girls' night out No boys, no boys  
No boys, no boys

No boys, no boys  
It's a girls' night out  
It's a girls' night outIt's a girls' night out
