

# Never Seen the Rain

## Tones And I

All, your life no  
You couldn't be mad about it  
You've been setting, setting ooh  
You couldn't be sad about it  
And it's been all this time  
And you haven't lived without it  
You are shining, shining it seems though  
That your life' you've found it No oh oh oh  
But you've never  
No, you've never seen the rain  
No, oh oh oh but you've never' no you've never  
Seen the rain  
And it gets you down  
But that's ok  
You've been pushed 'round  
You feel the pain  
And when you fall  
Just lean on me  
Cause you've never known  
Never seen, never smelt, never felt  
The rain  
Rain' never felt the rain, rain rain  
It's a cold dark night and  
No ones tryin' find ya  
You're just coasting, coasting by  
Cause nothing seems to mind ya No oh oh oh  
But you've never  
No, you've never seen the rain  
No, oh oh oh but you've never, no you've never  
Seen the rain  
And it gets you down  
But that's ok  
You've been pushed 'round  
You feel the pain  
And when you fall  
Just lean on me  
Cause you've never known  
Never seen, never smelt, never felt  
The rain  
Rain, never felt the rain, rain rain  
And it gets you down  
But that's ok

You've been pushed round  
You feel the pain  
And when you fall  
Just lean on me  
Cause you've never known  
Never seen  
Never smelt  
Never felt  
The rain  
Rain, never felt the rain, rain rain
