

# Hunter

Pharrell Williams

Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down So baby, ooh-ooh  
My love is kung fu-uuh  
And baby, ooh-ooh  
My love is kung fu-uuh  
Hey baby, ooh-ooh  
Sex is kung fu-uuh  
Hey baby, ooh-ooh  
My love is kung fu-uuh  
I show my teeth  
And I hope you know that look in my eyes  
I got lightnin' speed I won't hesitate to rescue what is mine Well, hold up baby, what's goin' on?  
Tell the truth, I wanna know  
What you're doin' when you're gone  
Somethin' say you ain't alone  
You say, "Baby keep holdin' on"  
What you mean? I've been holdin' on I ain't ever smelled this before  
Somethin' say it's time to go  
Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down  
So baby, ooh-ooh  
My love is kung fu-uuh  
And baby, ooh-ooh  
My love is kung fu-uuh  
Hey baby, ooh-ooh  
Sex is kung fu-uuh Hey baby, ooh-ooh  
My love is kung fu-uuh

Duck Dynasty's cool and all

But they got nothin' on a female star

I'm a hunteris that a tree or is that camouflage?

Come get eaten by the dam mirage

I'm a hunter

Well, hold up baby, what's goin' on?

Tell the truth, I wanna know

What you're doin' when you're gone

Somethin' say you ain't alone

You say, "Baby keep holdin' on" What you mean? I've been holdin' on

I ain't ever smelled this before

Somethin' say it's time to go

You're leaving me?

What? I'm supposed to let it go?

You can't be serious!?

You know what's in my blood!

So baby, ooh-ooh

My love is kung fu-uuh
