

# Set it Off

Dove Cameron, Sofia Carson, Cameron Boyce, Booboo  
Stewart, Mitchell Hope, Sarah Jeffrey & Jeff Lewis

Set it off, set it off, set it off  
Oh yeah  
Oh yeah yeah  
Let's set it off  
Oh yeah  
You can make it happen  
Ohay, Ohay Hey! Ben: Kings and Queens, it's our time to rise  
Write the book story of our lives  
This is us taking back the night.  
Ohay, Ohay  
Mal: Break the spell, we were born this way  
Be yourself, forget the DNA  
Everybody raise your hands and say  
Ohay, Ohay, hey!  
Evie: Sound the alarm, get on your feet  
Let's set it off and rock this beat  
Dance till your heart is wild and free  
Crowd: Ooh, Oh, Oh  
Evie: Feeling the power, let it all out  
Like what you see in the mirror, shout  
We got the keys, the kingdom's ours  
Ooh, Oh, Oh  
Ohay, Ohay Hey! Let's set it off! Oh yeah (oh, yeah)  
Start a chain reaction  
Never let it stop!  
Let's set it off, oh yeah (oh, yeah)  
You can make it happen  
With everything you got!  
Let's set it off!  
Get ready, set it off  
Come on  
We got to set it off  
On the right  
Get ready, set it off  
To the left  
We got to set it off!  
Ohay Ohay Hey! Jay and Carlos: Yo!  
It's time to set this thing off  
Let's make it happen now  
I'll make my own future, ignore the rumors  
Show 'em my passion sound

They all told me to back down  
Show 'em my passion sound  
Judgin' me 'cause of my background  
Nah, I ain't goin' out like that now  
Audrey: Feeling the power, let it all out  
Like what you see in the mirror, shout  
Ben: We got the keys, the kingdom's ours  
Ooh Oh Oh! Oh yeah! Let's set it off!  
Oh yeah  
Let's set this off!  
Start a chain reaction  
Never let it stop!  
Let's set it off!  
Let's set this off!  
Oh yeah  
Let's set this off!  
You can make it happen  
With everything you got!  
Let's set it off! Get ready, set it off!  
Come on  
We got to set it off!  
That's right!  
Get ready, set it off!  
(To the left!)  
We got to set it off!  
Get ready, set it off  
We got to set it off  
Get ready to set it off  
Come on! 3, 2, 1, Uh! Ooh yeah! Let's set it off!  
Oh yeah  
Let's set this off!  
Start a chain reaction  
Never let it stop!  
Let's set it off  
Let's set this off!  
Oh yeah  
Let's set this off!  
You can make it happen  
With everything you got!  
Let's set it off!  
Get ready, set it off  
Come on  
We got to set it off!  
(To the left!)  
Get ready, set it off!  
(To the right!)  
We got to set it off!!
