

# Cut Your Teeth

[Kyla La Grange](#)

Didn't I warn you not to?  
Didn't I warn you good?  
Maybe we couldn't help it  
Maybe we never should  
Didn't I say it slowly?  
Didn't I make it clear?  
Is it unfair to ask you?  
Why it is you're still here? You cut your teeth on the lack of answers, singing  
Come back home and it don't feel the same  
Well I bled words onto a page for you  
And you never knew my name  
Didn't I make it harder?  
Didn't I leave you that?  
Was it too much to ask you?  
Why it is you still care? You cut your teeth on the lack of answers, singing  
Come back home and it don't feel the same  
Well I bled words onto a page for you  
And you never knew my name  
Come, go, break your bones  
They cut you up and never let go  
Swing low, play your show  
Call your mother say take me home  
Lights, smoke, don't say no  
You're another man down if you let them know  
You cut your teeth on the lack of answers, singing  
Come back home and it don't feel the same  
Well I bled words onto a page for you  
And you never knew my name
