

Past Life

Trevor Daniel & Selena Gomez

[Trevor Daniel]

I'm trying to be honest with my happiness

Don't know why I'm bad at this, uh

[Selena Gomez]

And I don't want to sit all in my sadness

I know it's a habit of mine Perfect, perfect timing

I start but I don't know how to end

[Trevor Daniel]

Don't re-, don't re-mind me

I ruined it before it began, ooh

[Selena Gomez: Refrain]

Last night was the last night of my past life

Got me here like you could never figure me out

Last night was the last time, was the last time

I'll never let you figure me out

Sitting here, talking to myself

Thinking how I used to use you

Only thing I'm used to

Last night was the last night of my past life, woah [Trevor Daniel]

Gave me what I wanted when I needed it

Honestly, I mean it

[Selena Gomez]

And if I could convince myself to feel it

You know I would feel it, I would

Perfect, perfect timing

[Trevor Daniel]

I start but I don't know how to end

[Selena Gomez]

Don't re-, don't re-mind me

[Trevor Daniel]

I ruined it before it began, ooh [Trevor Daniel: Refrain]

Last night was the last night of my past life

Got me here like you could never figure me out

Last night was the last time, was the last time

I'll never let you figure me out

Sitting here, talking to myself

Thinking how I used to use you

Only thing I'm used to

Last night was the last night of my past life, woah Ooh-oh-oh, woah, woah, woah

Ooh-oh-oh, woah, woah, woah [Selena Gomez: Refrain]

Last night was the last night of my past life

Got me here like you could never figure me out

Last night was the last time, was the last time
[Selena Gomez, Trevor Daniel]
I'll never let you figure me out
Sitting here, talking to myself
Thinking how I used to use you
Only thing I'm used to
Last night was the last night of my past life, woahOoh-oh-oh, woah, woah, woah
Ooh-oh-oh, woah, woah, woahWhere we've been, what we know
Will never go away
Will never go away
