

Get Flipped

Lil Nas X

[Intro]

Playtime's over, I hate Windxws, I hate Windxws

[Chorus]

Nigga, grip your lips, you get flipped, meet that fuckin' clip
Diamonds on me drip, ooh, the fit, true blue, like a crip
Goofies wanna be me, like, it's easy, see
I am not crip, but with this drip I look like Eazy E, easy three
Nigga, grip your lips, you get flipped, meet that fuckin' clip
Diamonds on me drip, ooh, the fit, true blue, like a crip
Goofies wanna be me, like, it's easy, see
I am not crip, but with this drip I look like Eazy E, easy three (Fah-fah-fah)

[Verse]

Niggas think they hard, but they really not
AK get these niggas shot
I'm chillin' with villians, fuck ya wave, bitch, I'm on a yacht
I paid for a bigger spot
Pussy, fuck ya shade, give you fade if you don't give me props
What I got?
Fucking bacon soda
Water whippin', Minnesota
From the north, ain't no Dakota
Give these pussy niggas hold-ups
I will take your fucking quota
Water rise, like I'm Noah
Get a job, get off that sofa
Give me fries, Coca Cola
Stop hating, lil' nigga
Start creating, lil' nigga
Get the money now, ain't no need for waiting, lil' nigga
Get that bag fast
All of it, go get yo ass the Jag'
Yeah, I'm up next, calling it
Who else can really rap?
I say big facts
I stay with them motherfuckin' big racks
If you try to stick me up, yeah, you gon' meet that kickback
Yeah, the gang call me Usai, 'cause I like run tracks

Now, don't you be surprised when I run up where your funds at

[Chorus]

Nigga, grip your lips, you get flipped, meet that fuckin' clip

Diamonds on me drip, ooh, the fit, true blue, like a crip

Goofies wanna be me, like, it's easy, see

I am not crip, but with this drip I look like Eazy E, easy three

Nigga, grip your lips, you get flipped, meet that fuckin' clip

Diamonds on me drip, ooh, the fit, true blue, like a crip

Goofies wanna be me, like, it's easy, see

I am not crip, but with this drip I look like Eazy E, easy three
