## Alive (David Guetta Remix)

## **Empire of the Sun**

Days slow by my window World slows down as it goes Goodbye to last night Lost my eyesightCan't you help me see? They won't get rightLoving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive Alive, aliveWaking in the snow Tracing steps with you Swimming through the snow Wrapped in blow we go Can't you help me see? They won't get rightLoving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive Alive, aliveCan you describe to me All the world that you see? Oh, I need it so much I'm just waitingFreedom is within you Giving makes us feel good Hello to more people Say hello to the futureFreedom is within you Giving makes us feel good Hello to more people Say hello to the future Loving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive Alive, aliveLoving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive Alive, alive Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
