

The One (feat. Jada)

Alina Baraz

You've been gone
But you
But you
But you play my mind
Could you work it over?
You've been gone for a long time If I could keep cool (ooh)
I wouldn't have to choose (ooh)
Baby you are cruel
Because I don't know if you If you want my love
I could blow your mind
Make you cry, make you pray for it
Baby I'm the one
Said if you want my love
Everybody's here
But it's you that I came for, mmmm
Hear me out
Oh, I don't want to let you down
But baby yes I try
So I'll be on my own tonight
I'm fine but all If I could keep cool (ooh)
I wouldn't have to choose (ooh)
Baby you are cruel
Because I don't know if you If you want my love
I could blow your mind
Make you cry, make you pray for it
Baby I'm the one
Said if you want my love
Everybody's here
But it's you that I came for, mmmm
If I could keep cool
(Everybody's here but it's you that I came for)
I would say to you
(Empty eyes took pride to be cried for)
Baby you are cruel
(I could blow your mind, make you cry, make you pray for it)
But I don't know if you
(Baby I'm the one) Baby I'm the one
Baby I'm the one
Baby I'm the one
Baby I'm the one
