

# SOS (feat. Aloe Blacc)

Avicii

Can you hear me? S.O.S  
Help me put my mind to rest  
Two times clear again I'm actin' low  
A pound of weed and a bag of blow  
I can feel your love pullin' me up from the underground and  
I don't need my drugs  
We could be more than just part-time lovers  
I can feel your touch pickin' me up from the underground and  
I don't need my drugs  
We could be more than just part-time lovers  
We could be more than just part-time lovers  
We could be more than just part-time lovers  
I get robbed of all my sleep  
As my thoughts begin to bleed  
I'd let go but I don't know how  
Yeah I don't know how but I need to now  
I can feel your love pullin' me up from the underground and  
I don't need my drugs  
We could be more than just part-time lovers  
I can feel your touch pickin' me up from the underground and  
I don't need my drugs  
We could be more than just part-time lovers  
(Lovers ay) I can feel your touch pickin' me up from the underground and  
(From the underground yeah)  
I don't need my drugs  
We could be more than just part-time lovers  
We could be...  
We could be more than just part-time lovers  
(Part-time lovers)  
Yeah! more than, more than lovers  
We could be more than just part-time lovers  
Can you hear me? S.O.S  
Help me put my mind to rest
