

# Touch Me

Avicii

(Baby, what you do, what you do)  
(Please me, what you do, what you do)  
(Baby, what you do, what you do)  
(Please me, what you do, what you do)(Baby, what you do, what you do)  
When you feel me on the back of my bones  
Now won't you tell me  
I'll leave you alone  
Why don't you tell me  
Now don't you tell me  
I wear the crown cuz im the one To be united, why you touch  
Oh how you heal me Oh how you heal me  
I want you to touch me  
(use me like you gonna do)  
Touch me  
(do me like you're gonna do)  
Touch me  
(touch me like you wanna do)  
I want you to touch me  
(use me like you gonna do)  
Touch me  
(do me like you're gonna do)  
Touch me  
(touch me like you wanna do)  
Since you want it, baby  
(since you want it, baby)  
What you gonna do  
How you gonna please me  
What you gonna do  
(what you gonna do)  
I doesn't want  
I want you to sit here  
Since you want it, baby  
I'm starving here for you  
That you gonna feed me  
What you wanna do I want you, I want you  
When you feel me at the back of my bones  
Now won't you tell me  
I'll leave you alone  
Why don't you tell me  
Now don't you tell me  
I wear the crown just like no one  
To be united, why you touch

Oh how you heal me Oh how you heal me  
I want you to touch me  
(use me like you gonna do)  
Touch me  
(do me like you're gonna do)  
Touch me  
(touch me like you wanna do)  
I want you to touch me  
(use me like you gonna do)  
Touch me  
(do me like you're gonna do)  
Touch me  
(touch me like you wanna do)  
I want you to touch me  
(tell me what you gonna do)  
I want you to touch me  
I want you to touch me  
I want you to touch me  
I want you, I want you  
Touch me, touch me  
I want you to touch me  
Touch me
