Sound of Madness

Shinedown

[Intro]
Yeah, I get it you're an outcast
Always under attack
Always coming in last
Bringing up the past
No one owes you anything
I think, you need a shotgun blast
A kick in the ass
So paranoid, watch your back
Oh my, here we go

[Verse 1]
Another loose cannon gone bipolar
Slipped down, couldn't get much lower
Quicksand's got no sense of humor
I'm still laughing like hell

[Pre-Chorus]
You think that by crying to me
Looking so sorry that I'm gonna believe
You've been infected by a social disease
Well, then take your medicine

[Chorus]
I created the sound of madness, wrote the book on pain
Somehow I'm still here, to explain
That the darkest hour never comes in the night
You can sleep with a gun, but when you gonna wake up and fight
For yourself

[Verse 2]
I'm so sick of this tombstone mentality
If there's an afterlife, then it'll set you free
But I'm not, gonna part the seas
You're a self-fulfilling prophecy

[Pre-Chorus]
You think, that by crying to me
Looking so sorry that I'm gonna believe
You've been infected, by a social disease

Well, then take your medicine

[Chorus]
I created the sound of madness, wrote the book on pain
Somehow I'm still here, to explain
That the darkest hour never comes in the night
You can sleep with a gun, but when you gonna wake up and fight
For yourself

[Bridge]
Well I created the sound of madness, wrote the book on pain
Somehow I'm still here, to explain
That the darkest hour never comes in the night
You can sleep with a gun, but when you gonna wake up... when you gonna wake up, and fight

[Chorus]
I created the sound of madness, wrote the book on pain
Somehow I'm still here, to explain
That the darkest hour never comes in the night
You can sleep with a gun, but when you gonna wake up and fight
For yourself

[Outro]
But when you gonna wake up and fight
For yourself
But when you gonna wake up and fight
For yourself
When you gonna wake up and fight
For yourself
