

# Flowers In Your Hair

## The Lumineers

When we were younger  
We thought everyone was on our side  
Then we grew a little  
And romanticized the time I saw  
Flowers in your hair  
Takes a boy to live  
Takes a man to pretend he was there  
So then we grew a little  
Knew a lot  
And now we demonstrated it to the cops  
And all the things we said  
We were self assured  
It's a long road to wisdom  
It's a short one to being ignored  
Be in my eye  
Be in my heart  
By in my eye, eyeyeye  
Be in my heart  
So now I think that I could love you back  
And I hope its not too late  
'Cause youre so attractive  
And the way you move  
I won't close my eyes  
Takes a man to live  
Takes a woman to make him compromise  
Be in my eye  
Be in my heart  
Be in my eye, eyeyeye  
Be in my heart
