

# The Spectre

Alan Walker

[Verse 1]

Hello, hello, can you hear me as I scream your name?  
Hello, hello, do you need me before I fade away?

[Chorus]

Is this the place that I call home  
To find what I've become?  
Walk along the path unknown  
We live, we love, we lie  
Deep in the dark I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie (We live, we love, we lie)

[Verse 2]

Hello, hello, nice to meet you, voice inside my head  
Hello, hello, I believe you, how can I forget?

[Chorus]

Is this the place that I call home  
To find what I've become?  
Walk along the path unknown  
We live, we love, we lie  
Deep in the dark, I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie (We live, we love, we lie)  
We live, we love, we lie
